Dear Mr J S Nagra and Mr G S Gill,

The Education committee of Central Singh Sabha Gurdwara would like to thank you for arranging and delivering an in-depth training regarding teaching of Panjabi. All the teachers and management committee members enjoyed the training. It will help the teachers to prepare their lessons better for delivering Panjabi education to our children.

In addition Health and safety information by Mr G S Gill was very much appreciated by all the participants. All the information will be useful in organising class rooms in our new Gurdwara.

We are grateful to both of you for organising this training free of cost and travelling at your own expense all the way from Birmingham to Glasgow.

Many thanks.

Yours Sincerely

S S Chowdhary
President
