Dear Gurjit

Our warmest thanks to you and Jaspreet for the excellent session that you delivered here at Newman recently.

Our main aim was to open up the students' eyes to the value and worth of language diversity, and your session helped this immensely. Feedback from the students revealed their interest in what you are doing with the Panjabi complementary school, and how this enhances mainstream provision.

Thank you for taking the time to share your experiences with our students. It is most appreciated. I hope this is the first of many occasions when we can share expertise and ideas.

Best wishes
