PANJABI SCHOOL

NOTICE FOR PARENTS

CAR PARK HEALTH & SAFETY

Please can you refrain from parking close to the black gates outside the CEDF building. As you can appreciate, it is very busy at drop off & collection times and parking close to the gates can obscure the view of drivers entering and exiting the car park, as well as vehicles using the slip road. Over the last few years, a number of parents have had car accidents as a result of cars blocking their view into or out of the car park, so it is very important cars are parked away from the black gates. As stated in the Notice for Parents and highlighted by the safety signs in the car park, CEDF is not responsible for any damage to vehicles.

Furthermore, some of our older pupils walk to and from the school and in order to ensure the safety of these pupils we would appreciate your co-operation in this matter.

We thank you for your support and co-operation with our school.

If you have any questions, please contact:
